

Slocan Lake Recreation Commission #6

Grants -In-Aid Application

Our Mission Statement

Our mission is to support leisure opportunities within our community. The Commission encourages and supports recreational organizations achieve activities that enhance the well-being of our community and its residents.

About Recreation Commission #6

The Slocan Lake Recreation Commission #6 was established in 1971. The commission is made up of residents and elected officials from Silverton, New Denver and Area H. The commission is funded by the RDCK using taxation money. Grant in Aid applications are available in the spring and the fall. **We are the only granting organization for recreation in this area.** If your program or activity would be better met with an arts grant we strongly encourage you to seek funding that way. Programs and activities that are deemed not recreational by commission members will not be considered for funding. **Recreational activities include: Group sports and leisure activities, community participation programs and community events.**

How it works

Funds granted cannot be used to pay an individuals wage or salary.

Any equipment purchased with grant in aid funds remains the property of RDCK.

It is important to submit an itemized budget of how grant in aid funds will be used for an application to be considered. **Please include ALL revenue and expenses i.e membership dues, other applications for grant money, shipping and handling, GST, PST and HST.** A balanced budget is the best kind of budget.

After your application is reviewed you will be contacted by a member of the commission. If your application has been successful payment will be sent by RDCK soon thereafter.

You are required to complete the Follow-up Evaluation form. Please complete and return to the Commission by Aug 31st after submitting a spring application and Feb 28th after submitting a fall application. If your program is not completed you are still required to report your progress to the commission by the above dates. **If the follow up evaluation form is not completed future funding will not be considered.** If you're not able to meet this time line please let us know when we can expect the evaluation form.

Thank You

Thank-you for your contributions to recreational activities in our community. Your time and effort is appreciated.
