FEEDBACK FORM - *Community Spaces for Future Generations...*

Structural Assessments have recently been completed for the Bosun Hall and the Knox Hall. Copies are available at www.newdenver.ca/reports-and-studies and can also be viewed at the Village Office.

The Village of New Denver's Council seeks your views on the use and development of the halls so that future generations can have the continued benefit of facilities that serve our community's needs.

Please complete this form and return it to the Village Office no later than February 28, 2017.

Do you have any specific ideas on how the halls could better meet future community needs?

Do you have any other thoughts or suggestions related to the Knox Hall or Bosun Hall?
