

## COMMUNITY

# Update

The Councils of the Villages of New Denver, Silverton and Slocan would like to thank all the front-line and essential service workers that serve our communities. We are grateful for your hard work and for being there for our communities during this public health crisis.

We thank all residents for doing their important part in preventing the spread of COVID-19 in our community. We need to remain vigilant with the following:

- Stay home & self isolate - if you're sick, showing symptoms, or have been abroad.
- Social distancing - stand at least 2 metres apart if you are in public.
- Avoid gatherings of people on private property, at work or in parks.
- Avoid unnecessary travel - work at home if you can; limit grocery runs.

Do it for your family, friends, colleagues, and health care workers on the front lines. Together, we can all make a big difference.

*Be calm. Be kind. Be safe.*
