

## ARBOUR DAY – APRIL 20 & April 27, 2022

The Village of New Denver will pick up yard and pruning waste on April 20 & April 27, 2022. The collection is free for residents – clear bags are preferred but can use orange. Absolutely no household garbage or construction material will be picked up.

How to prepare for Arbour Day:

1. Collect yard waste (branches, leaves, etc.): bundle/tie branches together - use sturdy twine; bag garden refuse.
2. Ensure that all bundles and bags are an acceptable weight and not more than 3 feet in length. Remember, you only have to lift one bag in comparison to the number our crew will have to lift.
3. Place at the curb before April 20 & April 27.

If you have unusually large amounts of brush or woody debris that you'd like removed, please call the Village Office to confirm prior to pick up. Collection of material may take some time as there are significant amounts of debris due to winter storms.

Thank you for your patience.
