

We look forward to meeting you!

Over the past few years, there has been considerable interest in expanding the **Better at Home** (BH) program to more communities in BC. The Better at Home program is designed to help seniors live in their own homes by providing simple nonmedical support services delivered by local Lead Organization.

Your local Regional Community Developer (RCD) Lisa Cyr and I are delighted to invite you to an **in-person** community consultation to explore Better at Home and what it may look like in your community. The region will include the **Slocan Valley, New Denver and Silverton**.

The program is funded by the Government of British Columbia and managed by the United Way of the British Columbia (UWBC). Please visit our website at <http://betterathome.ca/> for details about program communities. You can learn more about United Way's Seniors Programming on CORE <https://healthyagingcore.ca/>

Further, we invite you to share this invitation with your colleagues who work with older adults in these communities. We also welcome local seniors to participate in this conversation which will be held on **September 21, 2022** at the Legion from **10:00 AM to 2:00 PM**. You will find the address to the venue on the ticket. A light lunch and refreshments will be served.

We invite you to register at the link below:
