

APPLICATION DEADLINE EXTENDED!

As noted below, the Act requires indigenous representation. If you can help out your community in this capacity, please contact the office!

New Denver Accessibility Advisory Committee Call for Committee Volunteers

As mandated by the *Accessible British Columbia Act*, the Village of New Denver must establish an Accessibility Advisory Committee to assist the Village to identify barriers to individuals in or interacting with the Village and advise the Village on how to remove and prevent barriers to interacting with the municipality.

As per the *Act*, this committee must include indigenous representation as well as persons with disabilities or individuals who support or are from an organization that supports persons with disabilities, as well as one at-large community member.

Participation in this committee is strictly volunteer and no remuneration will be paid.

When appointing members to the committee, Council will pay attention to the diversity of representation and a cross-disability perspective.

If you are interested in serving on this committee, please contact the Village for an application.
