SEPARATE WATERING/ IRRIGATION SYSTEM:	<input type="checkbox"/> Yes <input type="checkbox"/> No If yes, please indicate: Storage Capacity: _____ Water Line Size: _____ Water Pressure: _____
ROOF TOP SPRINKLER SYSTEM:	<input type="checkbox"/> Yes <input type="checkbox"/> No

Please use this space to draw a simple diagram of your water system with valve locations and any other helpful information indicated:

If you have a sprinkler system, we ask that you:

1. **SET-UP** your sprinkler system (& connect to your water source),
2. **TEST** your sprinkler system,
3. Leave the system in place and ready for use but **LEAVE THE WATER OFF**. In the event of a wildfire or other fire emergency, rescue services will turn the system on as needed.
